# Ava Rosell

*Hi! My name is Ava Rosell and I'm 7 years old. I live in South Carolina and finished up my level 4 competitive year this past spring. My goal is to score out of level 5 this summer and compete level 6, maybe even 7 in the fall. I am on our TOPS team and my goals is to get to national testing. I am working on improving my bars skills. My ultimate dream is to be an elite gymnast, maybe even go to the Olympics. My role models are my coaches and Simone Biles. I am working on my back handspring, layout step out on beam and my front layout front tuck on floor. My favorite event is beam. I continue to work on my attitude so I can make my dreams come true. "Hard days are the best days because that's when champions are made." - Gabby Douglas*

# Brooklyn Beal

Brooklyn has been doing gymnastics since she was 2 years old. Even when breaking her arm and u fee going surgery to repair the break that couldn't stop her. After surgery, therapy, and almost 2 years of getting her arm re-strengthened

she finally got the okay to go back to gymnastics. With hard work and dedication to the sports after a tough year of getting back into the groove, she was able to make team, and start competing.

She has always dreamt of meeting Simone Biles, and one day and being able to train with her. As we're sitting on the couch watching gymnastics on tv the other day Brooklyn looked up at me and said " I want to go there and watch "

# Emberlin Williams

I have always had a dream of being in the Olympics. Since I struggle in school so much with dyslexia, I enjoy my time in the gym where I get to show off my talents in a way that makes me feel successful. I imagine myself as free as a bird when I'm soaring above the beam and bars. I am in my zone when I am working out. Friends and coaches have become family, and I could not be more grateful for the gift gymnastics has given me.

# Gianna Thompson

# Gianna Thompson

Hi World! My name is Gianna Thompson! I just turned seven! I discovered the world of gymnastics when my mom put me in a summer camp at age three, to blow off some energy, so I stopped destroying the home couch by flipping on it. I enjoy watching Olympians Kyla Ross and Nastia Liukin. I like pink like Nastia. At age five I won my first place, all around competition in Upstate NY for level two!

I really love gymnastics! I have so much fun every week at class.

Right now my biggest challenge is jumping from low bar to high bar. My fingers just touch, but I'm still too short.

I know I am small but my dreams are BIG!

I hope one day I can be selected to represent the USA like Kyla Ross at the Olympics!

So keep an eye out world!

This won't be the last you see of me!

My mom has always struggled with a mental illness. I joined gymnastics, and I see that it helps her a lot. I love gymnastics I have a lot of fun. But I also love to see my mom's smile again. My biggest dream is to go

to college so I don't have to struggle. An obstacle that I had to overcome with us being homeless. But my mom promise I would never have to sleep in a park again and so far she kept her promise.

# Kayleigh Hughes

My name is Kayleigh Hughes. I am 11 years old and in grade 5. I am a level 6 gymnast at Gymnastics Energy in St. Catharines, Ontario.

I love gymnastics and it's my dream to make it to the olympics one day. I even got to meet one of my favourite gymnasts Shawn Johnson when I was at Flipfest Gymnastics Camp. My last level competed was level 4 but because of Covid, there haven't been any competitions in over a year. At my last competition, I won bronze on bars, gold on vault and silver overall. My biggest challenge in gymnastics has been overcoming my injuries. I broke my elbow when I was 6. I have had a few soft tissue injuries and then I broke two bones in my hand last year. My other biggest challenge has been trying to stay motivated during all of the gym Shutdowns and having to do all of my training on zoom instead of being in the gym with my friends and coaches. I really want to try and get to level 7 next year. I always try my best and I want to work as hard as I can to achieve my goals. When I have finished gymnastics I want to coach when I am in school and then I want to be either a surgeon or an FBI agent.

# Naana Oppon

Hello my name is Naana Oppon, I am 14 years old now and I do tumbling Gymnastics and I have won the British Championships 5 times, English Championships 3 times and have been the the World Championships 3 times and placed 3rd in 2017,7th in 2018 and 2nd in 2019! Overall I have about 50 medals! In the future I aspire to compete in a team for Gb at the European Championships as a junior and senior tumbler. Some challenges I have faced was having an injury at the

World Championships in 2017 because I found it very frustrating because I couldn't train for awhile afterward. Another challenge is when I may be trying a new skill but I am really struggling, I get very worked up with myself sometimes. Although I love competition a lot, a challenge I face it the pressure that comes with competing but it is all worth while when I do my best and do well.
